

Westex[®]
DH

Superior Breathability & Moisture Wicking

for Excellent Comfort

WHEN IT COMES TO
FR SAFETY | WE ARE
ALL IN

WESTEX[®]
by *Milliken*

With its uniquely engineered fiber blend, Westex® DH provides outstanding breathability and optimized moisture management to keep you cooler, drier and more comfortable. An excellent arc-rated flame resistant fabric for electric arc flash and flash fire protection.

NFPA 70E Cat 2 • NFPA 2112 Certified • Excellent Breathability • Outstanding Moisture Wicking

Faster Absorbancy = Better Moisture Wicking

Westex® DH is made with Lenzing™ Lyocell, a fiber that is inherently moisture wicking

*AATCC Test Method 79, Absorbancy of textiles after 10 washes

Westex® DH has better moisture wicking and is more breathable than the leading competitor blend fabric.

Higher Air Permeability = More Breathable

*ASTM D737 Test Method, Air Permeability of Textile Fabrics

WHEN IT COMES TO FR SAFETY | WE ARE ALL IN

The information in this publication is based on testing conducted by or conducted on behalf of Westex, Inc., a subsidiary of Milliken & Company, and represents our analysis of the test results. It is not intended to substitute for any testing that may be unique and necessary for your facility for you to determine the suitability of our products for your particular purpose. Since we cannot anticipate all variations in enduser conditions, Westex, Inc. makes no warranties and assumes no liability whatsoever in connection with any use of this information. As each customer's use of our product may be different, information we provide, including without limitation, recommendations, test results, samples, care/labeling/processing instructions or marketing advice, is provided in good faith but without warranty and without accepting any responsibility/liability. Any test results reported are based on standard laboratory testing but should not be used to predict performance in actual fire situations. Each customer must test and be responsible for their own specific use, further processing, labeling, marketing, etc. All sales are exclusively subject to our standard terms of sale posted at www.milliken.com/terms (all additional/ different terms are rejected) unless explicitly agreed otherwise in a signed writing. Use caution near sources of flame or intense heat and do not launder with bleach or fabric softeners. Chart data is based on random sampling from fabrics available in the marketplace.
