

A utility worker is shown from the back, standing in a snowy landscape. The worker is wearing a bright yellow hard hat, an orange high-visibility jacket with reflective silver stripes, and black pants. A tool belt with various tools is visible. The worker is holding a long yellow pole. The background consists of snow-covered evergreen trees and bare deciduous trees under a clear sky. A wooden utility pole is visible in the distance.

ARE YOU PREPARED FOR WINTER WEATHER?

WESTEX.COM
